

WEEKEND EXPERIENCE

OUR POLICIES:

Registration – This includes Thursday night dinner and Friday and Saturday Lunch. Lunch and dinner on the other days of the event will be at registrant’s leisure and expense. Travel arrangements and accommodations are not included.

This will be a very intimate gathering so registration is exceptionally limited and will be accepted on a first come basis. If needed, a waiting list will be available as cancellations are required to be made no less than 4 weeks prior to the event.

We ask that no alcohol or illegal drugs be brought to any portion of this experience.

Cancellation by Registrant

Full payment is required at the time your reservation is made for this event. You may cancel your registration and receive a refund of your registration fee up to 4 weeks prior to the date of the event. In the event that you cancel your registration less than 4 weeks prior to the date of the event, you will forfeit the entire registration fee unless someone from a wait list can take your place. We do not wish to do this, but by then we are unable to get refunds as a ministry.

Cancellation by Reclaiming Hearts Ministries

If the event is made impossible by any act of God, war, earthquake, fire, strike, sickness, accident, epidemic, act of government, its agencies or officers, or any other legitimate cause beyond our control, we will cancel the event and refund your registration fee or you may use it for a future weekend experience.
